# ESTATE TOURS

---

UPDATE LEAFLET 2016

## Estate Tour

Firstly may I thank those of you who managed to meet me at your development on 18<sup>th</sup> August 2016 – I very much appreciate your input/comments.

I am now writing to confirm the areas of concerns which were raised and how we intend to address those concerns.

List of concerns	Action to be taken
Can the area where the old washing lines were be used to store bins?	Absolutely. Please feel free to use this area to store your bins; this would be the ideal place for a bin store.
Communal Gardens	Most tenants felt the garden area looked great for the time of year. The only concern was dog's fouling on the grass. There will be a letter sent to all tenants in due course.

If you have any further concerns or would like to discuss any issues further please do not hesitate to contact me.
