ESTATE TOURS

UPDATE LEAFLET 2016

Estate Tour

Firstly may I thank those of you who managed to meet me at your development on 9th August 2016 – I very much appreciate your input/comments.

I am now writing to confirm the areas of concerns which were raised and how we intend to address those concerns.

List of concerns	Action to be taken
The gravel in all the driveways is spilling out into the street, makes the street look untidy	The gravel will remain in driveways of the developments. If tenants wish to change the landscape of the driveways, then permission must be granted by Blackwood before any works take place.

If you have any further concerns or would like to discuss any issues further please do not hesitate to contact me.
