ESTATE TOURS 2017

Estate Tour

Firstly may I thank those of you who managed to meet me at your development on 6th May 2015 – I very much appreciate your input/comments.

I am now writing to confirm the areas of concerns which were raised and how we intend to address those concerns.

List of concerns	Action to be taken
Roofs have a large amount of moss & vegetation in rhones	Asset management to do a programme for de-mossing and confirm budget approval
Small boundary fence to be painted	Need to check cyclical programme to find out when fences are due to be painted
Blackwood signage is old	Need to request new blackwood sign from marketing depending on budget
Gardens there is a lot of weeds	Email has been sent to continental asking them to address this

If you have any further concerns or would like to discuss any issues further please do not hesitate to contact me.
