ESTATE TOURS 2017

Estate Tour

Firstly may I thank those of you who managed to meet me at your development on 30th August 2017 – I very much appreciate your input/comments.

I am now writing to confirm the areas of concerns which were raised and how we intend to address those concerns.

List of concerns	Action to be taken
Close 2 has small amount of vegetation growing out of Rhone	To monitor as not large amount
Over Grown Hedges	Douglas has emailed our gardening contractor re next cut
Dogs fouling in the small side garden of the left side of entrance to scheme	Can we please remind all tenants who have dogs not to let their dogs foul in the development, dogs need to be on a lead at all times in the communal areas and if your dog does foul in the communal areas, you need to pick it up.

If you have any further concerns or would like to discuss any issues further please do not hesitate to contact me.
