Argyle Street

UPDATE

Estate Tour – Argyle Street

Further to our Estate Tour in April, we have provided below an update on a few of the concerns:

List of tenant concerns	Action to be taken
Problems with TV signal	Several tenants have been in touch and had their issues resolved. If you are still experiencing problems with tv reception, please contact maintenance.
Graffiti on 1 st floor adjacent to lifts	This was removed on 09/05/19
Front door closing too quickly	This was adjusted on 01/05/19
Lights out at some levels	This has now been resolved over several visits
Lights out at carpark	Repair completed 09/05/19
Water in gutters Icicle problem	As per letter hand-delivered to all tenants, major works to resolve these issues will be carried out on Saturday 10 th August. No vehicles are to be parked in the rear carpark on that day, as access is required for large machinery.
<p>Please could tenants please refrain from placing plastic bags in the blue recycle bin. Not only does this contaminate the blue bin, but also council refuse collectors can refuse to uplift the contents if they contain plastic bags.</p> <p>Here is a link to the Glasgow City Council recycle page which is very helpful: https://www.glasgow.gov.uk/recycling</p>	

If you have any further concerns or would like to discuss any issues further, please do not hesitate to contact me.
