# Estate Tour – Greenhead Gardens

Firstly, may I thank those of you who managed to meet us at your development on the 16 July 2019 – we very much appreciate your input/comments. We introduced representatives of our new grounds maintenance contractors, Idverde, who noted the number of overgrown shrubs/hedges and the prevalence of moss. They have agreed to cut back all overgrown shrubs and hedges as a matter of urgency.

I am now writing to confirm the other areas of concerns which were raised and how we intend to address those concerns.

List of tenant concerns	Action to be taken
Two defective adapted rotary driers	Works Order MB169026 raised for these works, which should be completed by 1 <sup>st</sup> August.
Slabs uneven at the entrance of communal garden at house. 1	
Minor damage to fencing throughout and parts of fence require repainted	Jim Gilmour will obtain a quote for this to be fixed and parts repainted

If you have any further concerns or would like to discuss any issues further please do not hesitate to contact me.
