Estate Tour – Castle Street

I am now writing to confirm the areas of concerns which were noted during the tour on 21 May 2019 and how we intend to address those concerns.

List of tenant concerns	Action to be taken
Some areas dirty and are covered in moss	Estates Officer will contact Idverde to arrange a quote to power wash areas that are required
Wooden edging broken around communal gardens	Estates Officer to arrange for a quote for these edgings to be removed from the development
Communal Gardens look unsightly	Estates Officer to arrange for a quote for better edging and bark to be put down in communal gardens to make it look more attractive
No paint lines in development	Notified to Assets Team for possible inclusion in future Planned Maintenance activity
Exposed wires in communal garden (street entrance) from Virgin/Sky	Estates Officer to try to establish the source of the cable and contact relevant companies to ask for this to be fixed
Ivy at no.41	Estates Officer to obtain quote to remove this

If you have any further concerns or would like to discuss any issues further, please do not hesitate to contact me.
